stefano is vegetarian and pescatarian

paolo and mike are omnivores

some waters bottle (both sparkling and no sparkling), tortilla chips, a chilly spicy sauce, nuts and fruits, guacamole, humus and green and a few beers are very welcome

if possible also a kettle boiler with herbs tea & coffee would be very appreciated

about rooming / accommodation:

1 x double bed room for mike and hiyori

2 x single room when possible or 1 x twins room for paolo and stefano

travelling:

very important!

we need a safe parking spot for our van -possibly at the hotel or near by - during the night. in case it would not be possible to provide a safe parking spot for the night, we would prefer to leave our gear at the venue and load out the morning after the show.

we will be traveling with a fiat scudo van diesel euro 4 / plate DK265KT
height 1980 cm length 4805 cm width 1895 cm.

If a low emission zone toll is required in your town please let us know
