***** IMPORTANT *****
NO LOUD SOUND NO SHOW!!!

STAGE PLAN

We prefer not to share our own backline unless in case of extreme necessity to be agreed with Zolle before.

**Drummer and Guitarist
need to play SIDE BY SIDE on the stage**

We need enough space to put on the floor drum's carpet, 3x2m.

AUDIO REQUESTS

We don't have a sound engineer and we need him.

We need 2 powerful MONITOR LINES.

Monitor desk + engineer is welcome.

We need electrical power in front and back of the stage.

We need at least one AUDIO and one LIGHT ENGINEER in the club at arrival and for all the set up of the stage.

LIGHTS AND STAGE

We put on the floor our own drum carpet, 3x2 meters.

The show will be quite "funny", so we really appreciate some kind of light show.

NO DARK OR DOOMY ATMOSPHERE PLEASE, Strobe light is welcome.

We need to hang our metallic logo (1x1 meters) with chains behind the backline, so we need enough space behind the backline. In case the venue has a beamer we can project the logo (JPG file) on the wall instead hang the real one.

VENUE REQUIREMENTS

DURING THE SHOW

We need beers, water and 2 clean towels please.

BACKSTAGE

We need a comfortable and safe backstage room for bags, cases and rest time.

MERCHANDISE

We need a wide table (we have a lot of stuff!) with a light point or an electrical power line.

We reserve the exclusive right to sell all merchandise articles e.g. t-shirts, posters, cds, vinyl, etc. free and to own purpose. This also means that the band will not pay any fee to the local promoter or club or any other third party for selling merchandise or using place for merchandise.

FOOD

We'll be in 3 people, we need 3 hot meals.

We eat everything but chicken or turkeys or any kind of flying animals please! (...it's a long story...) and we like local beers ;)

If there's not food at the venue we need at least 30€ buyout together.

Also a lot of beers! :)

Thanks!

HOSPITALITY

We'll be in 3 people for the night. We need 1 room with 3 single beds in a nice hotel with 24h reception. Please breakfast included.

In case of private house accommodation we need a **REALLY CLEAN** room with a **CLEAN BATHROOM with SHOWER and TOILETTE**.

We need a **SAFE** place for the van and the gear during the night. Thanks!
