1 person.

Food: vegetarian – no meat, no fish. But Eggs, cheese and such is fine. Vegan is also appreciated. Fruit and a salad would be great, I need the vitamins.

Drinks: a few bottles of water, some beers, local brew would be great. Do you have some nice beers without alcohol? Than please add a few. Please NO Heineken, Kronenburgh, Budweiser. Fruit juice also welcome.

Sleep: A clean and quiet place, with 1 bed. I am fine with staying at someone's house as long as it's not the -afterparty hang out-. Some place near the venue or train station is also handy.
